Ref:	1. Circular Rc.No.D1/840/2021 dated 12-03-2021 wherein last date for filing of fresh applications was fixed as March 20, 2021 and extended subsequently 2. Circular Rc.No.D1/840/2021/JVD schedule dated 29-03-2021 on social audit of applications

You are aware that Hon'ble Chief Minister released Jagananna Vidya Deevena for eligible applications on April 19, 2021 and Jagananna Vasathi Deevena on April 28, 2021.

It was requested to ensure that all eligible applications are processed and reach the sanction stage before the amounts were released by the hon'ble CM on April 19/28, 2021.

Still, few thousands of applications are not yet processed and they are pending at different levels. There is a bad practice of processing of the applications of post matric scholarships scheme throughout the year and even in the next academic year, thereby depriving the students of the benefit of the scheme in the year in which the course is being studied.

However, keeping in view the fact that few fresh applications are filed in April for some courses, where the admissions are completed late, and to have discipline in the system of processing of the applications by the students, colleges and office staff, and to ensure that the scheme benefits reach the students immediately, it is decided to prescribe the following revised and final timelines for the applications received for JVD Schemes for the academic year 2020-21.

Stage of Processing	Timelines	
	Renewal Students	Fresh Students
Verification of eligibility in the village/ward secretariats	May 5, 2021	May 15, 2021
Filing of objections against ineligibility	May 10, 2021	May 20, 2021
Bio metric Authentication of students	May 5, 2021	May 15, 2021
One Time Approval of application by the	May 7, 2021	May 17, 2021

Principal		
One time Approval of application by the District Welfare Office	May 10, 2021	May 20, 2021
CET order uploading by the Student/College	May 5, 2021	May 5, 2021
Disposal of objections on Ineligible Applications pending in the logins of MPDOs and Municipal Commissioners for final disposal	May 15, 2021	May 25, 2021

In case, the student/college does not ensure that their application is processed within above timelines, then they will not be having any right/claim for sanction of the scheme for the current academic year. The applications will be frozen and rejected after completion of the timelines prescribed.

It is once again requested to process the pending applications immediately, without waiting till the above timelines are reached.

All the Principals are requested to bring the above to the notice of the students concerned. The names of such pending students are also displayed in the home page of the login of the college in jnanabhumi portal for ready reference.

Yours faithfully

Director, Social Welfare
